CONTEMPORARY DESIGN | VIEW OVER THE COUNTRYSIDE & HILLS | 500M TO THE VILLAGE CENTER

This **Mediterranean-style** villa with **contemporary design** (built in 2020) is as appealing for its **well-thought-out interior layout** as it is for the **high-quality features** it offers.

A **spacious, air-conditioned living area** (43 sqm), with an open-plan kitchen, opens through large sliding glass doors onto a **covered terrace** and extends to the **pool area, paved with travertine**.

The night area comprises **four bedrooms**: a **master bedroom** (12 sqm) with en-suite shower room, and **three additional bedrooms** (11 sqm each) sharing a shower room and separate WC. All bedrooms benefit from large built-in wardrobes. A practical utility/laundry room completes the interior.

The **8 x 4 m heated swimming pool is equipped with an automatic cover system**. The pool house takes the form of a charming stone cabin, also useful for storing outdoor furniture. The covered terrace separating the living area from the pool is fitted with a **bioclimatic pergola, allowing for optimal enjoyment of outdoor dining**.

The 980 sqm **landscaped and fully enclosed plot**, planted with olive trees, fig trees, and palm trees, offers pleasant **views over the countryside and the hills of the Gulf of Saint-Tropez**. Access is via a large automatic gate. Finally, a shaded pétanque court provides the perfect setting for convivial moments.
